Sunny Stunning South Africa

Come to South Africa
It will be much wackier
Than any other place you've been
You'll be so keen

In Cape Town
You will hear the waterfalls go down
You can see Table Mountain
And visit the Rondebosch fountain

If you go to Knysna
You'll become much wiser
You hear the sea gulls whoosh!
And hear the waves go doosh!

Visit our Kruger Park
And you will see our bushman art
Now you've seen South Africa
You will be much happier
