Read the Five Little Astronauts poem.

### Five Little Astronauts

Five little astronauts, flying in the stars  
The first one said, "Let's go see Mars!"  
The second one said, "There are comets in the air!"  
The third one said, "There's an alien here!"  
The fourth one said, "Let's fly up in the sky!"  
The fifth one said, "Let's go up really high!"  
Then, "Whooosh" went the spaceship  
"Buckle up tight!"  
And the five little astronauts  
Zoomed out of sight!

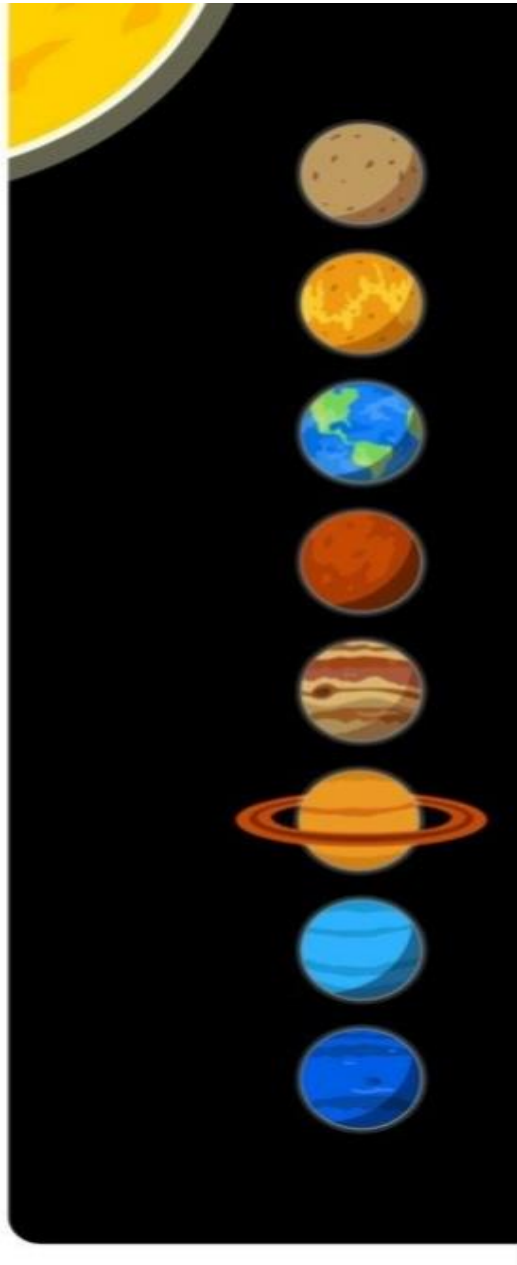

Answer the questions about the Five Little Astronauts.

1. In the poem the word **Stars** rhymes with **Mars**, in the box below write down other words with the same **ars** sound.

2. In the poem the word **tight** rhymes with **sight**, in the box below write down other words with the same **ight** sound.

A consonant is a speech sound that is not a vowel. Consonants are the letters of the alphabet excluding the vowels, a, e, i, o, u. Complete the names of the planets by adding the consonants.

1. \_ e \_ \_ u \_ \_
